THE SMALL PRINT Leather Wise Ltd Terms and Conditions of Business Fault Diagnosis

Charges and expenses

Our fees are based on the amount of time we spend dealing with your matter. This includes performing tests and analysis, considering and preparing technical reports, any necessary literature searches, making and receiving telephone calls pertaining to matter, any time spent travelling. The current rate is £70.00 plus VAT per hour unless otherwise stated. Longer term work may be charged at a day rate of £450 pounds per day + VAT. There is a minimum charge of £37.50 plus VAT. If the use of specialised equipment eg, SEM, X-ray microanalysis etc. is required this will be charged at £25 per hour + VAT in addition to the standard hourly rate. If the return of samples is requested, postage, packaging and insurance will be charged at cost. If travelling is involved, there is a motoring expense of 40 pence per mile, or rail/air fare at cost plus subsistence if required.

The final cost will largely depend on the complexity of the problem, but it is assured that all business will be attended to in a prompt and efficient manner. You may at any time request an estimate of our anticipated fees. Whilst we will endeavour to provide as accurate an estimate as possible, no estimate can be guaranteed due to the inevitable variation in complexity. If you wish to be regularly updated on the cost of a particular job, we would be pleased to do so upon request.

Billing arrangements

Invoices will be submitted upon completion of a job, unless it is a particularly extended investigation in which case interim payments may be requested to cover expenses incurred as the matter progresses. Interim payments will be itemised and offset against your final invoice.

Payment is due within 30 days of the invoice date. Clients who default this arrangement will be required to operate on a pro-forma basis for any future work. We reserve the right to work on a pro-forma invoice basis with new clients.

Storage of samples and documents

After completion of your work, we will keep stable samples for a period of three months. After this time they will be destroyed in an appropriate manner unless it is requested that they be returned to you (postage, packaging and insurance chargeable at cost). Samples will not be returned until payment of our invoice is received. Occasionally, we may request to retain particularly unusual examples for training purposes. If permission from you to do this is forthcoming, we will ensure that samples remain anonymous.

Documents, paper copies of reports and suitable test pieces will be kept for a period of 2 years after which they will be appropriately destroyed. If long term storage of paper documents or tested samples is requested this will be charged at £5 per month. Electronic copies of reports will be retained for a period of 5 years.

Termination

You may terminate your instructions in writing at any time. Any time spent or expenses incurred up to the point of termination will be applied at the indicated rate. We reserve the right to retain samples and documents until payment is made.

Insurance

Samples sent to Leather Wise Ltd for examination are insured whilst on our premises. If samples are to be returned, we will send them by means that insures them whilst in transit to you unless an alternative method of carriage is requested.
